Can we do a start time of 2 PM Mountain? I have a call at 1 PM that would be close.

John

Hi Mike,

I'm out of the office for the next two days, so I just wanted to check in on this before I headed out. Any chance we can schedule a call next week? There are a few actions items we'd like to discuss.

I was thinking the afternoon of the 21st if you are available.

Hi Mike,

Roux and CFAC were hoping to have a conference call next week to discuss some of the items scheduled for 2017 for the CFAC project.

Will you be available to talk? If yes, is there a preferred day?
